# Successful Student Membership Drive!

AMERICAN  
SOCIETY OF  
INTERIOR  
DESIGNERS  
INDIANA

This past fall, board members visited several campuses and were able to recruit **63** new student members to the chapter!

*Please join us at our upcoming events to meet these new members, either on-line or in-person.*

Check out their work in our **Annual Student Design Competition** section under the events tab.

*Our chapter policy is to provide free events to students whenever possible.*

## Designers!

We are excited to be offering a **SketchUp workshop** for those interested in learning the basics of this software.

*Workshop sessions will begin in June.*

Dates and times will depend on interest.

Plan on 4 hours of presentation time.

Workshop costs \$50.00 total

**If interested, please contact our chapter administrator at [administrator@in.asid.org](mailto:administrator@in.asid.org).**

Here's what we need to know:

- Name, email, phone
- Preferred times: evenings or Saturdays

What you can expect:

- Small class size
- Handouts explaining commands covered
- Examples and 'homework' customized to your practice

## EDUCATION CONNECTION

We focus on the education, elevation, and empowerment of our members. One of the ways we do this is by supporting design education at our local universities.

Indiana has eight schools offering interior design curriculum:

### 4-year programs

- Ball State University
- Indiana State University
- Indiana University - Bloomington
- IUPUI - Indianapolis
- Purdue University - West Lafayette
- Purdue University Fort Wayne

### 2-year programs

- Ivy Tech, all campuses
- Vincennes University

Each year the chapter creates a complex competition for junior- and senior-level students. Check out student work each year under our Events tab. *Learn about the designers of tomorrow!*

For the past two years, ASID has coordinated a design competition with Ball State and Purposeful Design to develop furniture designs. The winners will be posted under our events tab.

ASID recently supported IUPUI students at their annual trade show for students, held at the Indiana Design Center.

*We always welcome your ideas for more interactions with our members!*
